

AUSMT Third Party License Form

International Journal of Automation and Smart Technology

Article Title: _____

Complete List of Authors: _____

Third Party Material Agreement

Above-listed authors desire to publish their submission including manuscript and any supplemental material in AUSMT journal. This submission will be considered for publication provided the following criteria are regarding Third Party Material:

Original Third Party source: _____

Type of Material (chose one)	Approval was granted by	
☐ Figure ☐ Table	Date received	
☐ Photo ☐ Other	Object of citation	

Notice:

1. Each Material embedded in the submission will require it own Third Party License Form.
2. Please attach the Third Party Material to this form as an appendix.

Copyright

This copyright transfer applies only to the submission as a whole, not to any embedded objects owned by third parties. Authors are required to obtain the Third Party's permission if they embedded an object that is copyrighted by the Third Party. The requirement to obtain the Third Party permission does not apply if the author embeds only a link to the copyright holder's definitive version of the object. Third-party permission must be clearly stated near the object or in the text narrative within the Work as well as in the authors' presentation of it.

Permission

In the event that any materials used in my submission contain the property of the Third Party, I understand that it is my responsibility to obtain any necessary permissions and/or licenses. All permissions and releases granted by me herein shall be effective in perpetuity and extend to AUSMT and its personnel, contractors, sublicensed distributors, successors and agents.

Author Signature(s) _____ Date _____

This agreement must be signed and returned to the Editorial Office before the manuscript can be published.
